FYI,

I am going to this, have you been asked for anything? Bob P, Nancy Stoner, Ken Kopocis and Roger!!

Good Morning,

On behalf of the California Bay Delta Conservation Plan Working Group, I would like to request and appointment with you on Tuesday or Wednesday, July 31 – August 1. The Committee would like to update you on the current status of the Bay Delta Conservation Plan (BDCP), with special emphasis on the long anticipated joint federal/state announcement expected on July 25. For further information on the BDCP, please visit www.BayDeltaConservationPlan.com.

The BDCP is being developed with the guidance of the Steering Committee, which is a collaboration of state, federal and local water agencies, state and federal fish and wildlife agencies, environmental organizations, and other interested parties.

Those attending the meeting would be:

Jerry Meral, California Natural Resources Agency
Laura King Moon, California State Water Contractors
Jason Peltier, Westlands Water District
Mark Kramer, The Nature Conservancy
Brent Walthall, Kern County Water Authority
Roger Patterson, Metropolitan Water District of Southern California

We are hopeful that your schedule will allow for a minute meeting on July 31 – August 1. Thank you in advance for your consideration, and I look forward to hearing back from you at your convenience.

Sincerely,
Kristen Haskett
